Following the author's popular book *Becoming a Woman Who Pleases God*, this new volume for young women explores—in context of the teen years—the timeless issues of building godly character. Following the journal entries of a fictional, contemporary high school senior, readers experience the challenges and triumphs of her “incredible journey” of everyday faith. Readers will find answers to questions like, “Is it possible to enjoy my teen years and please God at the same time?” From the pages of this fictional, personal journal, the reader will learn how to choose friends wisely; manage money well; embrace biblical principles in decision making; choose to serve rather than be served; and develop knowledge and skills that make life more creative, enjoyable, and emotionally satisfying.
