Elephant Man Mariangela Di Fiore

- *"Gather round--prepare to be amazed! A sight so very gruesome that you simply won't believe it. Ladies and gentlemen... the Elephant Man!"*

Every night people swarm to a theater in London to see the Elephant Man, whose real name is Joseph Merrick. They scream in terror at the sight of him. But beneath Joseph's shocking exterior, he longs for affection and understanding.

Disfigured in childhood by a rare disease, Joseph is rejected by his family, bullied in the streets, and ridiculed at his job. While touring Europe with a freak show, he's robbed and abandoned. Joseph seems to encounter misfortune at every turn, but eventually finds friendship with a kind doctor in England. Though he died young, Joseph became world famous and inspired many with his gentleness and dignity.

Masterful illustrations and archival photographs are joined with simple but moving language, bringing the celebrated true story of the Elephant Man to life. Joseph Merrick (1862-1890) is believed to have suffered from a combination of the diseases neurofibromatosis type 1 and Proteus syndrome. This is a tremendously affecting book about being different, refusing to be a victim, and finding happiness in even the most challenging of circumstances.

From reader reviews:

Kim McLoughlin:

Have you spare time for any day? What do you do when you have far more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent all their spare time to take a wander, shopping, or went to the Mall. How about open as well as read a book eligible Elephant Man? Maybe it is for being best activity for you. You already know beside you can spend your time with your favorite's book, you can better than before. Do you agree with the opinion or you have other opinion?

Danny Miller:

In this 21st millennium, people become competitive in every way. By being competitive currently, people have do something to make these people survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Sure, by reading a guide your ability to survive increase then having chance to stay than other is high. For you personally who want to start reading some sort of book, we give you this kind of Elephant Man book as nice and daily reading publication. Why, because this book is more than just a book.

Margaret Padua:

Reading a book tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Lots of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their talent in writing, they also doing some study before they write with their book. One of them is this Elephant Man.

Jackie Thompson:

With this era which is the greater particular person or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple strategy to have that. What you have to do is just spending your time little but quite enough to experience a look at some books. One of the books in the top record in your reading list is Elephant Man. This book that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upwards and review this e-book you can get many advantages.
