Judith finds the courage to stand up for her beliefs and protest anti-Semitic hypocrisy.

Judith is a young woman who lived in Israel for a decade, was a peace activist there, and defines herself as "left-wing," yet in graduate school back in Canada, she discovers that vilification of Israel is the expected norm. When the keynote speaker for Anti-Oppression Day turns out to be a supporter of terrorist attacks not only against Israeli military targets, but also against Israeli civilians and Jews around the world, Judith protests. As a result, she is marginalized by the faculty and her peers, and her life begins to unravel.

This is a moving novel about love, betrayal, and the courage to stand up for what one believes, as well as a searing indictment of the hypocrisy and intellectual sloth that threaten the integrity of our society.

'Wistful Woman' painting on the cover was created by Peter Worsley (<http://www.peterworsley.com/>), and used with the artist's permission.
