Hold Me in Contempt: A Romance Wendy Williams

Move over *50 Shades*, there's a new romance in town. Superstar Wendy Williams brings on the heat in her first ever, no-holds-barred, down and dirty, romance novel.

Kimberly Kind is trying to get beyond her roots. A successful, beautiful, smart lawyer, she's finally finding direction in her life and getting out of the streets. But a terrible accident threatens to throw her carefully laid plans off course. Now Kim's hiding a huge secret... one that could threaten everything.

Enter King. A perfect mix of Justin Timberlake and David Beckham, the man oozes sex and has more swagger than anyone Kim's ever met. Their chemistry is off the charts. But after passion-filled nights, the intensity of their emotions takes both of them by surprise.

Love was not supposed to be an option. Now it's the only thing holding them together. When their pasts come back with a vengeance, can love possibly be enough?
