Bettie Page is an American Icon, considered the Queen of Pinups. During the 1950s her photos were deemed shocking and pornographic, while by today's standards they may be viewed as tame, or even cute

Nowadays her pictures are highly collectible, with collectors worldwide bidding up the prices higher and higher for original prints, with complete sets or series of prints going for exponentially more, as a complete series is worth more than if each picture were to be sold individually.

Currently, individual original prints can be found quite readily on various online auction sites, such as eBay.

Prices of individual Bettie Page prints can range anywhere from \$10-12.00 to several hundred dollars or more for an individual print, depending on rarity and content, with the fetish pictures being the most desirable.

For complete sets or series of prints, which can be anywhere from 6-10 picture to some series running to over 50 pictures, expect to pay anywhere from \$200.00 for a set of 5-6 generic bikini pictures to several thousand dollars for the larger collections of fetish type pictures

This book contains a sampling of Bettie Page's most titillating images, specifically: her bondage and discipline pictures. In this edition, poor Bettie is on the receiving end of various forms of Bondage and Discipline
