C. S. Lewis

## **The Pilgrim's Regress** C. S. Lewis

The first book written by C. S. Lewis after his conversion to Christianity, *The Pilgrim's Regress* is, in a sense, a record of Lewis's own search for meaning and spiritual satisfaction, a search that eventually led him to Christianity.

Here is the story of the pilgrim John and his odyssey to an enchanting island that creates in him an intense longing -- a mysterious, sweet desire. John's pursuit of this desire takes him through adventures with such people as Mr. Enlightenment, Mr. Mammon, Mother Kirk, and Mr. Sensible and through such cities as Thrill and Eschropolis -- and through the Valley of Humiliation.

Though the dragons and giants here are different from those in Bunyan's *Pilgrim's Progress*, Lewis's allegory performs the same function of enabling the author to say with fantasy and simplicity what would otherwise have demanded a full-length philosophy of religion. In Lewis's skillful hands this fable becomes as effective a Christian apologia as Bunyan's.
