Whether it is a Chinese soft shell turtle, an African Helmeted turtle, or even a spiny turtle, they are spread all around the Earth, except the Antarctic and Arctic regions!

Step into this journey of discovering turtles and trace its journey from over 200 million years!

What does a turtle do on forthcoming danger? Simple! Retreat its head into its shell! But did you know that many millions of years ago, this was not characteristic of turtles? So what did they do then? Did they have other ways to defend themselves? Learn all this and more in the pages to come!

These are just some of the points that this book teaches you:

- What are turtles and where do they live?
- How have they evolved over the years?
- Describes 15 of the weirdest turtles and tortoises ever
- How are humans and turtles connected?

Flip the pages slowly, like a turtle moves, and learn all about them and prepare to be amazed! If a turtle can go without feeding for almost a year, you may also not be able to keep this book down either!

*** Your child will love this book - guaranteed! ***
