This book brings a new and unique concept to *How To* books. It goes beyond simply telling you how to do it but gets in there along with you in a sense and does most of the writing down that you would need to do as part of your planned process of reaching your goals. This includes typically **Operational Guidelines** for the dormant Chief Executive Officer waiting to be discovered and developed or **Negotiation and Issue Resolution Guidelines** for a successful General Manager, among others, to learn, to adopt, to try and to incorporate into your action patterns directed toward **achieving your goals**. This book is almost ninety percent hands-on and one hundred percent user friendly.
