"While reading this book, you will begin to see life from a whole new perspective." - Jack Canfield, co-author of Chicken Soup for the Soul

This book is a road map for personal growth. Any one and any team or organization can benefit from every member mastering the "Rules of the Game."

Chérie Carter-Scott reinforces each chapter with real life examples that help to bring her "10 Rules" to life in a memorable fashion.

Life has often been compared to a game. We are never told the rules, unfortunately, nor given any instructions about how to play. We simply begin at "Go" and make our way around the board, hoping we play it right. We don't exactly know the objective of playing, nor what it means to actually win.

That is what Ten Rules for Being Human is all about. These are the guidelines to playing the game we call life, but they are also much more than that. These Rules will provide you with a basic spiritual primer for what it means to be a human. They are universal truths that everyone inherently knows but has forgotten somewhere along the way. They form the foundation of how we can live a fulfilling, meaningful life.
