From the bestselling author of *Murder at Rutherford Hall* and *Murder at Ravenrock*, comes the third book in the Rachel Markham Mystery Series.

The Riverton Case

A Rachel Markham Mystery

Book Three - In the Mystery Series

Jeremy and Rachel set sail for Indian shores on the behest of a fabulously wealthy Indian Maharajah, to solve a case unlike anything they've encountered before. The journey takes them through the lives of Indian Royalty, and gives them a fascinating glimpse into the charmed life of British India.

Rachel and Jeremy must travel back in time to 1945, towards the end of an Era of the British Raj to solve the baffling murder of a beautiful young English woman - Kitty Riverton who was found murdered in a marble folly, on the grounds of the magnificent Dharanpore Palace.

They must also race against time to retrieve the spectacular Royal ruby necklace, 'The Pride of Dharanpore', which went missing, on the night of the murder. Their investigation takes them through the murky labyrinth of Palace intrigues and politics, where nothing is as it seems and motives abound.

Set in 1947, England and India, *The Riverton Case* is an intriguing sequel to PB Koller's first two books, '*Murder at Rutherford Hall*' and '*Murder at Ravenrock*'.

5.0 out of 5 stars Wonderful!, August 20, 2013 By Jessica Strong

This is such a well written story. It truly is a wonderful book and I am sure that it is more than comparable to Agatha Christie. The time period is well researched and is informative of the time just after the war in England. I look forward to the next in the series.
