Hungry as the Sea Wilbur Smith

Wilbur Smith sets his vividly realistic novels on the razor's edge between human courage and nature's wrath. In *Hungry as the Sea*, this master storyteller takes us to the frigid South Atlantic, where one man fights for his life-- and for redemption.

Nicholas Berg is on a daring rescue mission. One of his former ships is being lashed against the cliffs of Cape Alarm and is surrounded by survivors clinging to their boats. Berg has gambled everything on reaching the *Golden Adventurer* before a competitor and a violent storm to win a fortune in salvage fees. If he succeeds, however, the real danger will only just begin . . .

From the power of a relentless ocean to the hunger of men to survive upon her, this is a towering novel of adventure, love and the daring of the human soul.
