PREDATORS IN THE WOODS. True Stories.

Following on from the No 1. Bestselling 'Something in the Woods is Taking People,' as featured on Coast to Coast AM.

The woods can be tranquil and enchanting, yet there are moments when everything goes quiet and time seems to stop, and the hairs on the back of your neck start to stand up, and you could swear there's something out there in the trees, just watching you.

Suddenly everything goes quiet and that's when the fear sets in as a strange buzzing seems to fill your ears, and your eyes are searching everywhere for a hidden predator.

A powerful, menacing and sinister force is nearby and you can sense the imminent danger.

Then it shows itself. And that's when the panic sets in....

Contents include; The Predator Effect; The Stick Men; Shifters; Something on two legs; Things with Wings; A new Sentient Intelligence.

Excerpts; 'Somehow 'something' had got past me without being seen. Then suddenly the quiet was filled with a blood-curdling shriek; it was the most primal of cries I'd ever heard. It seemed human, animal, and spirit; and completely evil. It was hard to pin down; it was ethereal. I tried to shrink to invisibility...'

'She sent a text saying, "Something is wrong here. The woods just went dead silent...its odd." She thought it was possible a panther or coyote was approaching. As her eyes roamed the area, she suddenly noticed a strange visual effect that seemed to be moving...'

'The film showed a mysterious black mass of no definite shape. It was moving. It was crawling fast. It moved with speed, faster than any animal.'

'The entity was blurry and any features could not be clearly seen, as though it were masking its true form.'

"At first it was jet black. He said that it was walking in a peculiar way; that it made long exaggerated strides..."

'They said that it seemed to be moving and that it was in one spot one moment and then instantaneously it would appear in a different spot.'

"Terrible sounds were coming out of the forest. I couldn't compare them to anything I've heard before."

"It took off running, but not like any human or any animal. It ran with its whole body bending and contorting, extremely fast."

'The moon lit up the figure and she could see that it had the shape of a man, at least seven feet tall, but...'
