A vivid, shocking, at times poetic revelation of a world we never imagined existed. **Siberian Education** is a real-life Eastern Promises seen through the eyes of a boy growing up in the close-knit community of the Urkas, descendants of criminals relocated from Siberia to the banks of the Dniester River, between Moldavia and Ukraine, in the 1930s. A tale of an extreme boyhood — violent, governed by rules of honour passed down through legend and taught via elaborate and mysterious tattoos, and ultimately doomed to disappear amidst post-Soviet capitalist gangsterism: an utterly unique look at a vanished society from someone who knew it intimately, even though he is not yet 30 years old.
