Chinese Foreign Policy: An Introduction

Marc Lanteigne

Chinese Foreign Policy: An Introduction Marc Lanteigne

This updated and expanded new edition of *Chinese Foreign Policy* examines the patterns of engagement with various domestic and international actors that have shaped Beijing's foreign policy since the Cold War. It explores a series of ongoing questions and trends, as well as offering an in-depth look at the key areas of China's modern global relations.

Bringing together the many different facets of China's foreign interests, the volume presents a comprehensive overview of the country's international affairs, covering such key issues as:

- the rise of globalisation, international financial uncertainty, and China's economic power
- the country's bilateral and multilateral approaches to international problem-solving
- China's engagement in various regional and international regimes
- modern strategic challenges, including terrorism and economic security
- the question of shifting American power
- Beijing's changing political, strategic and economic linkages with the developed and developing world.

Chinese Foreign Policy will be of great interest to upper-level students of Chinese international relations, Asian politics, comparative foreign policy and international relations, as well as professionals interested in China's changing place in the global system.

From reader reviews:

Anthony Russell:

What do you ponder on book? It is just for students because they're still students or the item for all people in the world, the particular best subject for that? Just you can be answered for that query above. Every person has distinct personality and hobby for every other. Don't to be forced someone or something that they don't want do that. You must know how great along with important the book Chinese Foreign Policy: An Introduction. All type of book could you see on many options. You can look for the internet options or other social media.

Mary Bingham:

Nowadays reading books are more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book which improve your knowledge and information. The details you get based on what kind of e-book you read, if you want drive more knowledge just go with education and learning books but if you want feel happy read one using theme for entertaining like comic or novel. The Chinese Foreign Policy: An Introduction is kind of guide which is giving the reader unstable experience.

Ilene Cody:

Reading a publication can be one of a lot of action that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new facts. When you read a guide you will get new information simply because book is one of several ways to share the information as well as their idea. Second, studying a book will make you more imaginative. When you reading a book especially hype book the author will bring someone to imagine the story how the personas do it anything. Third, you are able to share your knowledge to other people. When you read this Chinese Foreign Policy: An Introduction, you may tells your family, friends as well as soon about yours reserve. Your knowledge can inspire the others, make them reading a publication.

Patricia Beall:

Some people said that they feel bored stiff when they reading a e-book. They are directly felt the idea when they get a half areas of the book. You can choose often the book Chinese Foreign Policy: An Introduction to make your personal reading is interesting. Your skill of reading skill is developing when you such as reading. Try to choose easy book to make you enjoy to read it and mingle the impression about book and studying especially. It is to be 1st opinion for you to like to open a book and study it. Beside that the guide Chinese Foreign Policy: An Introduction can to be a newly purchased friend when you're sense alone and confuse in what must you're doing of that time.
