## International Bibliography of Business History

The field of business history has changed and grown dramatically over the last few years. There is less interest in the traditional 'company-centred' approach and more concern about the wider business context. With the growth of multi-national corporations in the 1980s, international and inter-firm comparisons have gained in importance. In addition, there has been a move towards improving links with mainstream economic, financial and social history through techniques and outlook. The *International Bibliography of Business History* brings all of the strands together and provides the user with a comprehensive guide to the literature in the field.

The *Bibliography* is a unique volume which covers the depth and breadth of research in business history. This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians.
