Kiss, Bang, Boom!: Book One - Zella's Story Leslie Lamb

Zella Storm is a "unique" girl. She has always done things a little differently and dating is just another one of those things. She is finally at the age where she is allowed to date, but surprisingly she has decided to forego the whole process. Zella is fine with her decision and is actually much happier without boys in her life until Toby Woods, a missionary kid from Korea, comes to town. He is everything that she thinks a boyfriend should be. Her friend Celeste encourages her to pursue him, and her life long enemy is determined to beat her to the chase. With so much on the line, will she change her mind, or will she stick with her decision and say no to dating?
