Life of the Blessed Virgin Mary, Mother of God : with the History of the Devotion to Her. Mathieu Orsini, Edouard Barthe
This book was published in 1872.

Completed by the traditions of the East, the writings of the fathers, and the private history of the Jews.

Translator's Preface:

This translation, made many years ago at the suggestion of an illustrious prelate, since dead, has been so well received by American Catholics, that it has passed through many editions. The magnificent work of the Abbe Orsini, is confessedly the fullest and most complete life of the Blessed Virgin Mary that has yet been given to the Catholic world. It does not end, as others do, at the close of her mortal life, but follows the course of the universal devotion wherewith the Church has honored, and does still, and shall ever honor, the Virgin of the Prophecies, the glorious Mother of God. It shows how literal has been the fulfillment of her own inspired prediction that all generations should call her Blessed. It shows how devotion to her has grown and prospered with the growth of Catholicity, and records the shrines and churches erected in every land under her invocation and to her honor and glory. Those of America I have myself added to the work, as there was little or nothing in the edition which I translated relating to the devotion in America. The work also embodies the Eastern traditions concerning her, with the conclusive testimony of the Fathers; the little which is related of her in Scripture being but a very faint sketch of her life.

It is truly a labor of love for a Catholic to celebrate the praises and record the glories of Our Most Dear Mother, and it was with the filial devotion of a child of Mary that I translated this great work some fifteen years ago. In common with all who are truly devout to Mary, I have much, very much to thank her for — many a priceless favor, many a sweet consolation, many a ray of light when all was dark around, and when earthly hopes had failed.

In thanksgiving, then, and with all reverence and affection, I have now, probably for the last time, revised this noble work, hoping that it may ever tend to make others love and honor Our Lady the Help of Christians as I love and honor her.
