Three novels in one book. **THE ALCHEMIST** - This story, dazzling in its simplicity and wisdom, is about an Andalusian shepherd boy named Santiago who travels from his homeland in Spain to the Egyptian desert in search of treasure buried in the Pyramids. Along the way he meets a Gypsy woman, a man who calls himself king, and an Alchemist, all of whom point Santiago in the direction of his quest. No one knows what the treasure is, or if Santiago will be able to surmount the obstacles along the way. But what starts out as a journey to find worldly goods turns into a meditation on the treasures found within. Lush, evocative, and deeply humane, the story of Santiago is an eternal testament to the transforming power of our dreams and the importance of listening to our hearts. **THE PILGRIMAGE** - Here Paulo Coelho details his journey across Spain along the legendary road of San Tiago, which pilgrims have travelled since Middle Ages. On this contemporary quest, he encounters a Chaucerian variety of mysterious guides and devilish opponents and learns to understand the nature of truth through the simplicity of life. The Pilgrimage holds an important place in Paulo Coelho's literary canon. His first book, it not only paved the way for his phenomenal novel *The Alchemist*, but it also fully expresses his humanist philosophy and the depth of his unique search for meaning. **BY THE RIVER PIEDRA I SAT DOWN AND WEPT** - Coelho presents the poignant, deeply spiritual tale of Pilar, an independent and practical yet restless young woman, whose life is forever changed by an encounter with a childhood friend. Now a mesmerizing and handsome seminarian, he leads her on a journey through the French Pyrenees, where together they explore the "feminine face of God," and make the dramatic discovery that love is God.
