## **Anne Frank** Josephine Poole

The life of Anne Frank, from birth until being taken from the hidden attic by the Nazis, is presented in this haunting, meticulously researched picture book. It is a compelling yet easy-to-understand "first" introduction to the Holocaust as witnessed by Anne and her family. The stunningly evocative illustrations by Angela Barrett are worth a thousand words in capturing for young Americans what it must have felt like to be Anne Frank, a spirited child caught in the maelstrom of World War II atrocities. A detailed timeline of important events in Europe and in the Frank family is included.
