## **Frugal Ways: The Art of Having More Doing Less** Mark Maddox

Frugal Ways is a well rounded introduction to the fundamentals of prudent spending. It is a guide that shows you where you lose money and how you can safeguard the amount of money that you already have while enjoying a quality life. In this book, you clearly see the specific areas where you waste money and end up promoting the interest of other people. You also get to see the specific things that you need to do in order to cut down on expenditure and yet keep enjoying the same things you used to enjoy.

This book highlights areas of weakness in your life which, if addressed, can transform your life in just a matter of weeks and you begin to feel like a big earner even without having to change your business or your career. You have an eye opener in Frugal Ways, and all you need to do is be perceptive to the financial advice the book provides. Gladly, the solutions herein are easy and convenient to implement.

In this book you will learn:

- What to expect when you keep spending money without thinking
- How you can get out of debt in no time without taking drastic measures
- How to save for your children's college fund and emergency fund
- How to save for a good life today and subsequently comfortable retirement
- How to get 6-figure dollars flowing into your kitty just from proper planning
