An applied text by the author of the best-seller *Leadership: Theory and Practice*, this new text provides the much needed "how-to" component for students in leadership courses. Three interactive components in every chapter—self-assessment questionnaires, observational exercises, and reflection and action worksheets—get readers actively involved in applying leadership concepts to their own lives. Grounded in leadership theory, yet accessible and reader-friendly, this book covers a fundamental aspect of leadership in each chapter and illustrates its application in real leadership situations. A final chapter discusses the key topic of ethics in leadership.
