Richard Pettinger

Introduction to Management Richard Pettinger

The new edition of this successful textbook continues to provide a complete introduction to management. All key aspects of management are discussed and illustrated by use of examples and case-study material. The text is integrated with an effective analysis of business skills and behaviour and the techniques essential for effective management. This second edition has been fully revised and now includes chapters on quantitative methods, information management and financial management. It is relevant to a wide range of courses in this area.
