## Lost Pharaohs (Kegan Paul Library of Ancient Egypt) Cottrell

A brilliant introduction to Egyptology, this book describes the mysterious story of the lost pharaohs. Lowered into a crevice thirty feet deep by the Priests of the Necropolis, the mummies of the lost pharaohs were undisturbed for three thousand years. Their discovery and its incredible impact on the field of Egyptology form just one episode of this fascinating book, which also covers the construction of the pyramids, the City of the Dead, and many other topics. Leonard Cottrell, author of numerous BBC radio documentaries on ancient Egypt, offers the general reader a story that is both entertaining and factual, ably conveying the romance and mystery which draw so many to the study of ancient Egypt.
