Throughout history parables, analogies and wise words of wisdom have been used to express ideas and communicate important messages. Some messages are expressed through humor or words designed to make people think.

As the previous title, *Come Again?*, some are tongue in cheek and hopefully a few with spark a more serious thought

Inside are some more thoughts on why it's still hard to be a man. Look inside and find out about the drawbacks of carrying a big stick and what the most important thing you need to do when going on a trip is. Discover the positive perspectives on aging and a story about change at the end.

Whether it makes you laugh, think or maybe a bit of both, *Say What?* is great for those moments when you're in the mood for a quick read or a new spin on an old saying.
