Spiritual Mothering: The Titus 2 Model for Women Mentoring Women Susan Hunt

Presents a fully biblical and extremely practical vision for intergenerational ministry so that women of all ages can know the blessing of spiritual mother-daughter relationships.

For many churches, women's ministries, and women's Bible study groups, the missing element of discipleship is the interpersonal aspect. Titus 2:3-5 clarifies what mature spiritual relationships between generations of women should look like. Susan Hunt unveils how to put that model into action with stories of biblical and contemporary women who have responded to God's call, as well as page after page of personal encouragement, practical insight, and ministry-tested how-to's.

Through this wisdom-packed book, churches, groups, and individuals will be equipped to reach across generational lines-and inspired to experience the blessing of nurturing, godly relationships so that every Christian woman may flourish in her faith.
