Tough Questions About God and His Actions in the Old Testament

Walter Kaiser Jr.

Tough Questions About God and His Actions in the Old Testament Walter Kaiser Jr.

Practical, scriptural discussions of tough topics such as polygamy, genocide, and the role of women in the Old Testament

The God of the Old Testament can seem very foreign to Christians. His actions appear to starkly contrast with the God of grace in the New Testament and with modern notions of justice and propriety.

In this short volume, Old Testament scholar Walter Kaiser devotes each chapter to a different difficult subject, including creation, the wrath of God, the genocide of the Canaanites, God's knowledge of the future, polygamy, Satan, the view of women, and application of the Old Testament law. He addresses each topic in a practical, accessible tone, with pastoral insight and humor, consistently focusing on the Scriptures.

The reader will find that there are not two different gods in the Bible and that the Old Testament is not an antique artifact that should now be jettisoned from Christianity. The Old Testament and the God it depicts is One with the God and Father of our Lord Jesus Christ. His actions, when properly understood, are not at variance with the New Testament; rather, a view of the beautiful unity in the Bible as a whole will strengthen the church's faith and aid in Christian witness and apologetics.
