Casebook in Child Behavior Disorders

Christopher A. Kearney

Casebook in Child Behavior Disorders Christopher A. Kearney

This casebook illustrates the rich and arresting nature of disorders that first manifest themselves in childhood while also showing how a child's developmental patterns shape the expression of each disorder. Each complex case demonstrates how each disorder is expressed--from presentation through diagnosis and treatment--in an effective way. Throughout the book, the author explores the DSM-IV-TR criteria and demonstrates the interaction between developmental and environmental influences for each disorder.
