Curvy Goldilocks has to deal with the three bear shifter bad boys from her past when she comes back to Port Jameson for her five-year high school reunion. When it turns out that each of the hunky men is still convinced she's their fated mate, the rivalry between all three shifters gets worse than ever before.

Things get hot and heavy when mysterious black werebear Brian, fiery brown bear shifter Glen, and icy polar bear shifter Cliff all try to win her heart...but at the end of the night, will Goldilocks find a bed that's just right?

After five years of no contact from the voluptuous blonde that broke their hearts, the three bear shifters are more than just grizzly at one another, and they're going to settle this...even if they have to use their paws and claws. Fur will fly as the territorial bears try to win over the woman they're sure is theirs...and theirs alone.

If you love sassy BBWs and bear shifters are what you live for, spicy ménages (à quatre!) are what you dream of, and fated mates are your obsession, check out "Goldilocks And The Three Bear Shifters"! This book is a standalone novella, part of the Spicy Bear-y Tales series of remixed fairy tales.
