The Camouflaged Cross: Tales Of Christian Preppers In The End Times (Just Run) (Volume 1) Cal Wilson

Have you ever wondered what the true Biblical, post-apocalyptic, End Times will look like? Where society has totally collapsed and evil forces are at work, both worldwide and locally, to take control of what is left? In this SHTF/prepper doomsday scenario, nuclear bombs smuggled into shipping containers have blown up several American port cities. Riots have broken out among the hungry survivors. ISIS terrorists have sabotaged train tracks to cause derailments, poisoned municipal water supplies, smuggled ground-to-air missiles into the country and shot down passenger airplanes, and crop-dusted crowded cities with Ebola. Others have attacked electrical sub-stations to shut down the electrical grid and make sure that anyone left alive is in the dark, just as with an EMP. In the face of all this death and destruction, most of the survivors foolishly try and prepare for a return to normalcy. Several Christian prepper families have converged upon an agreed-upon retreat location to try and survive what is clearly a final break-down of society, just as was predicted in the Bible. Join Jesse, his wife Mary, their daughter Melissa, and their prepper friends from church who have, after years of prepping and stockpiling supplies, are forced to go to their retreat location in hopes of fighting and surviving all of the multiple threats to come.
