**A Breath of Snow and Ashes (Outlander) [Mass Market Paperback] Diana Gabaldon (Author) (April 29, 2008)** Diana Gabaldon

From Booklist After waiting nearly four years since *The Fiery Cross* (2001), readers will find every expectation fulfilled in the sixth book of the popular *Outlander* series. Gabaldon shines as she unfolds the continuing story of the Frasers, heartbreakingly heroic highlander Jamie and his time-traveling wife Clare. Set during the three years leading up to the American Revolution, this compulsively readable mix of authentically set historical fiction and completely satisfying romance maps both violent loss and strong family ties. On the eve of war much is changing on Fraser's Ridge and Jamie and Claire encounter much harm. This vivid and haunting novel, therefore, brings an aching sadness, but it is balanced with sheer joy, revelation, and solace. The large scope of the novel allows Gabaldon to do what she does best, paint in exquisite detail the lives of her characters. Gabaldon's ability to invoke the heroic and the harrowing writ large, while also creating moments where you dare not take a breath for fear of missing something tiny and fine, is her hallmark. For it is in describing the sound of rain on the roof, Jamie's injured hand, or the understanding between father and daughter that the world of the novel comes alive and offers readers an enthralling experience.
