America's Film Legacy: The Authoritative Guide to the Landmark Movies in the National Film Registry Daniel Eagan

America's Film Legacy is a guide to the most significant films ever made in the United States. Unlike opinionated "Top 100" and arbitrary "Best of" lists, these are the real thing: groundbreaking films that make up the backbone of American cinema. Some are well-known, such as *Citizen Kane*, *The Jazz Singer*, *All Quiet on the Western Front*, *The Birth of a Nation*, and *Boyz n the Hood*. Others are more obscure, such as *Blacksmith Scene*, *The Blue Bird*, *The Docks of New York*, *Star Theatre*, and *A Bronx Morning*. Daniel Eagan's beautifully written and authoritative book is for anyone who loves American movies and who wants to learn more about them.
