Portrait of the Artist As a Young Man (Wordsworth Classics) (Wadsworth Collection)

James Joyce

Portrait of the Artist As a Young Man (Wordsworth Classics) (Wadsworth Collection) James Joyce
With an Introduction and Notes by Dr. Jacqueline Belanger, University of Cardiff A Portrait of the Artist as a Young Man represents the transitional stage between the realism of Joyce's Dubliners and the symbolism of Ulysses, and is essential to the understanding of the later work. This novel is a highly autobiographical account of the adolescence of Stephen Dedalus, who reappears in Ulysses, and who comes to realize that before he can become a true artist, he must rid himself of the stultifying effects of the religion, politics and essential bigotry of his background in late 19th century Ireland.
