The Second Chance Café (A Hope Springs Novel) Alison Kent

Growing up, Kaylie Flynn was shuffled from foster home to foster home before being welcomed into Winton and May Wise's family. It was May who taught Kaylie the comfort of home, and the healing power of baking the perfect brownie. Years later, May leaves Kaylie the money she needs to open her own café in the charming Victorian house they once shared. Now back in Hope Springs, Kaylie's determined to finally make all her dreams a reality—and unearth answers to lingering questions about her past.

Soon, however, Kaylie's carefully laid plans take an unexpected turn. The house needs far more work than she realized, and Tennessee Keller, the carpenter Kaylie hires, is proving to be a very handsome and very unneeded distraction from her quest to uncover the truth about her parents. When a crisis threatens to destroy everything she's worked so hard to build, Kaylie must decide where her heart lies: with the ghosts of her past or the love and promise of her future.
