Paris. The steamiest, sexiest city on earth. The city for lovers. So why did my first time here have to be with him? Jacob MacCormack. My soon-to-be-step. Because he paid for it. Yea, that's a good reason. But whatever. He can't buy me like the rest of his harem.

He's not my type. I don't go for cocky, gorgeous billionaires. Not that I've had much opportunity. I'm not his type. He doesn't go for curvy girls with more years on the freeway than the runway. His latest beanpole, German supermodel highlights the distance between us.

But if we're so far apart, why do I feel this electric tug whenever he's near? Why does it feel like he's pulling me closer?

I should forget him. I wish I could. It'll only end in tears. Mine. Still, I don't care. I have to show him I'm a woman.

Not his new little sis.

This book contains adult situations, language, and sexual content. It is the first part of a two part story.
