**"Astonishing, original....an early chapter in women's revisionary history [that] offers true eloquence resurrected from the silence of the past."?The New York Times Book Review**

In dialogues with three celestial ladies, Reason, Rectitude, and Justice, Christine de Pizan (1365-ca. 1429) builds an allegorical fortified city for women using examples of the important contributions women have made to Western Civilization and arguments that prove their intellectual and moral equality to men.
