The Top 100 Albums of All Time Dave Whitaker

Ah, the music list. Music journalists love to create them and fans love to shred them. However, by aggregating hundreds of best-of lists, Dave's Music Database has stripped away subjectivity in favor of cold, hard numbers. Commentaries about the albums consolidate the views of multiple experts instead of serving up single opinions. It all makes for one definitive, inarguable best-of-all-time list. Okay, maybe not – but here's hoping you'll find value in this list, even if that's in dissecting, disagreeing, debating, or debunking it. Rock on and read on. - Dave Whitaker, DavesMusicDatabase.com
