**The Water Babies: A Fairy Tale for a Land Baby** Charles Kingsley

A main-stay of British children's literature through the 1920's, *The Water Babies, A Fairy Tale for a Land Baby* was written by Rev. Charles Kingsley as a serial for Macmillan's Magazine in 1862-63.

Although some of the author's opinions seem dated now, the journey of a little chimney-sweep water-baby through rivers and storms, under sea and over icebergs, is still a wonderful adventure tale for children. The book was adapted into an animated film in 1978 and produced as a play at the Chichester Festival Theatre in 2003.
