**Collaborative Inquiry in Practice: Action, Reflection, and Making Meaning** John Bray, Joyce A. Lee, Linda L. Smith, Lyle Yorks

Collaborative Inquiry in Practice is an invitation and guide for people interested in pursuing a more imaginative and holistic approach to human inquiry. The reader is guided step-by-step through the theory and practice of collaborative inquiry:

- the key ideas from pragmatism and phenomenological traditions;
- the relationship of collaborative inquiry with other action-oriented methods of inquiry;
- the conduct of collaborative inquiry, from forming a group to constructing knowledge

The authors demonstrate how effective collaborative inquiry demystifies research and makes learning more accessible. The guidance provided is equally relevant to professional and academic settings.
