It is the 21st century and we have experienced a technology explosion that has granted us a cornucopia of luxuries and opportunities. At this point, virtually anything seems possible. However, along with the positive developments are ominous collaborations designed to deprive us of an inherent birthright—the power of a free mind.

*Mind Programming* is a riveting expose on the plethora of research that has been carried out simply to discover ways to control your every thought and desire. What you will learn will both shock and horrify you. Tweaking your psyche has become big business. Never again will you be able to ignore the truth—your very thoughts are not your own.

*Mind Programming* provides the tools to take back control and reprogram your own mind. **Eldon Taylor** provides the insight, information, and easy-to-use methods that will empower you to realize the life of your dreams. You were not meant to be the product of another's manipulation, whether in attitude and mood or in ambition and consumption.

This book has black and white illustrations.
