Snowfly

Joseph Heywood

Snowfly Joseph Heywood

One legendary insect--enormous, white, and exceedingly rare--attracts trout of such size that they couldn't possibly exist in the world as we know it. But in Heywood's classic novel, such things can and do exist.

Protagonist Bowie Rhodes, UPI reporter and expert fly fisherman, had learned of the snowfly early in his childhood. It hatches every seven to ten years, never on the same river twice, bringing to rise trout so huge they would have to have lived forty years or more; trout so wily that they never allow themselves to be caught--or even seen; trout so hungry for this fly that they will risk exposure to rise for the hatch. The snowfly is the sacred quest of the most obsessed trout hunters, existing--it seems--only in myth and in a lost manuscript.

Rhodes's reporting brings him to such sites as the jungles of Vietnam, the labyrinth of Brezhnev's Soviet Union, and a poisoned Canadian wasteland of uranium mines. His hunt for the manuscript, meanwhile, takes him deep into his own heart of darkness.

Richly imaginative and sensual, the world of *The Snowfly* has more mystery lurking beneath the surface waters than our own. Or does it?

From reader reviews:

Jamie Brewer:

Here thing why this kind of Snowfly are different and trusted to be yours. First of all reading through a book is good nevertheless it depends in the content of it which is the content is as delightful as food or not. Snowfly giving you information deeper including different ways, you can find any reserve out there but there is no publication that similar with Snowfly. It gives you thrill examining journey, its open up your current eyes about the thing this happened in the world which is maybe can be happened around you. You can actually bring everywhere like in park your car, café, or even in your means home by train. In case you are having difficulties in bringing the printed book maybe the form of Snowfly in e-book can be your choice.

Christina Moss:

Spent a free time to be fun activity to complete! A lot of people spent their leisure time with their family, or their very own friends. Usually they accomplishing activity like watching television, planning to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Could be reading a book can be option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the guide untitled Snowfly can be good book to read. May be it can be best activity to you.

Maria Casillas:

Your reading sixth sense will not betray an individual, why because this Snowfly e-book written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written inside good manner for you, leaking every ideas and composing skill only for eliminate your hunger then you still skepticism Snowfly as good book not only by the cover but also with the content. This is one book that can break don't evaluate book by its handle, so do you still needing an additional sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Beatrice Rogers:

What is your hobby? Have you heard that will question when you got pupils? We believe that that query was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person such as reading or as examining become their hobby. You should know that reading is very important and book as to be the issue. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You find good news or update with regards to something by book. Different categories of books that can you decide to try be your object. One of them is niagra Snowfly.
