**Adaptive Leadership: The Heifetz Collection (3 Items)** Ronald A. Heifetz, Marty Linsky, Alexander Grashow

In times of constant change, adaptive leadership is critical. This *Harvard Business Review* collection brings together the seminal ideas on how to adapt and thrive in challenging environments, from leading thinkers on the topic—most notably Ronald A. Heifetz of the Harvard Kennedy School and Cambridge Leadership Associates.

The Heifetz Collection includes two classic books: *Leadership on the Line*, by Ron Heifetz and Marty Linsky, and *The Practice of Adaptive Leadership*, by Heifetz, Linsky, and Alexander Grashow. Also included is the popular *Harvard Business Review* article, “Leadership in a (Permanent) Crisis,” written by all three authors. Available together for the first time, this collection includes full digital editions of each work.

Adaptive leadership is a practical framework for dealing with today’s mix of urgency, high stakes, and uncertainty. It has been used by individuals, organizations, businesses, and governments worldwide. In a world of challenging environments, adaptive leadership serves as a guide to distinguishing the essential from the expendable, beginning the meaningful process of adaptation, and changing the status quo.

Ronald A. Heifetz is a cofounder of the international leadership and consulting practice Cambridge Leadership Associates (CLA) and the founding director of the Center for Public Leadership at the Harvard Kennedy School. He is renowned worldwide for his innovative work on the practice and teaching of leadership. Marty Linsky is a cofounder of CLA and has taught at the Kennedy School for more than twenty-five years. Alexander Grashow is a Senior Advisor to CLA, having previously held the position of CEO.
