Most people do not realize just how close we are to losing our American way of life. In *Could This Be America's Last Chance*, author J.T. Wheat reveals shocking evidence showing covert actions now at work, bent on changing America from a free-market capitalist nation into a socialistic, communistic-style nation. Many shouted and screamed for change, not knowing the kind of change Obama was speaking of. J.T. Wheat lays out in clear details what the News Media has kept hidden from us all. The Germans shouted Heil Hitler at Hitler's speeches, only later to weep as they watched their elderly judged Unworthy of Life and by the stroke of a pen were sent to the death houses. When the full details of Obama's health care bill are revealed, there, too, will be much weeping in America. Only your vote can help stop this madness! Every chapter will hold your attention as you read the facts.
