Henry Miller

A Devil in Paradise (New Directions Bibelot) Henry Miller

**“A perfect expression of Miller’s moral perspective as well as one of his outstanding demonstrations of narrative skill. It provides a wonderful cinematic view of two indomitable egotists in deadly conflict.”**  
*?The Nation*

The devil in Henry Miller’s Big Sur paradise is Conrad Moricand: “A friend of his Paris days, who, having been financed and brought over from Europe as an act of mercy by Mr. Miller, turns out as exacting, sponging, evil, cunning and ungrateful a guest as can be found in contemporary literature. Mr. Miller has always been a remarkable creator of character. Conrad Moricand is probably his masterpiece. . . . *A Devil in Paradise* is the work of a great novelist *manqué*, a novelist who has no stricter sense of form than the divine creator. . . . Fresh and intoxicating, funny and moving. . . .” *?The Times Literary Supplement* (London)
