In spite of her fear of the reappearance of her ex, Chloe is drawn to Logan and his easygoing nature.

He's what a man should be: compassionate, handsome, rugged but caring, and superbly overprotective. Yet Logan has a past to rival her own, and the prospect of running from both presents itself. Whilst the constant threat of David's presence forces Chloe to consider a route she hasn't before, proving that the only way to escape the past is to face it.
