Brothers Forever: The Enduring Bond between a Marine and a Navy SEAL that Transcended Their Ultimate Sacrifice Tom Sileo, Col. Tom Manion

Four weeks after Navy SEALs had killed Osama bin Laden, the President of the United States stood in Arlington National Cemetery. In his Memorial Day address, he extolled the courage and sacrifice of the two young men buried side by side in the graves before him: Travis Manion, a fallen US Marine, and Brendan Looney, a fallen US Navy SEAL. Although they were killed three years apart, one in Iraq and one in Afghanistan, these two best friends and former roommates were now buried together—"brothers forever."

Award-winning journalist Tom Sileo and Travis's father, former Marine colonel Tom Manion, tell the intimate and personal story of how these Naval Academy roommates defined a generation's sacrifice after 9/11, and how Travis and Brendan's loved ones overcame heartbreak to carry on in their memory. From Travis's incredible heroism on the streets of Fallujah to Brendan's anguished Navy SEAL training in the wake of his friend's death and his own heroism in the mountains of Afghanistan, *Brothers Forever* is a remarkable story of friendship, family, and war.
