Oxford Advanced Learner's Dictionary, 8th edition (Oxford Advanced Learner's Dictionary)

Improve your English language skills with the Oxford Advanced Learner's Dictionary. Understand what words mean. Learn how to say them. Know how to use them.

The Oxford Advanced Learner's Dictionary (OALD) is a world best-seller. It is now available for Kindle: set the OALD as your default dictionary on your Kindle e-book reader (2nd generation or newer only) or Kindle iOS app and you will be able to look up words in the dictionary while reading another book (other versions of Kindle, including the Kindle Fire do not support this feature at this time). Instructions on how to set a default dictionary can be found on the Amazon help pages: search for "dictionary".

The version of the OALD for Kindle has been developed by the same editors from Oxford University Press who created the printed dictionary, working together with Paragon Software, a leading software developer for mobile devices.
