Practising Clinical Supervision: A Reflective Approach for Healthcare Professionals John Driscoll

This title is directed primarily towards health care professionals outside of the United States. With contributors from the UK and Australia, the second edition builds on the success of the original, which was praised for engaging readers and being a pragmatic and practice-orientated addition to the literature on clinical supervision. This edition is written in accessible style and will appeal to those both new to clinical supervision or experienced. It provides a thought-provoking, user friendly and practical guide to the subject.
