**Read the book that has inspired hundreds of thousands to change the world and the book that shows how best to accomplish that change.**

Together for the first time in one volume, *The Hole in Our Gospel*, revised and updated, and *Unfinished* take us on a breathtaking journey to rediscover the critical mission of Christ in our world today and the richness of God's calling on our lives.

*The Hole in Our Gospel* is a compelling true story of a corporate CEO who set aside worldly success for something far more significant and discovered the full power the gospel of Jesus Christ to change his own life. He uses his journey to demonstrate how the gospel—the *whole* gospel—was always meant to be a world-changing social revolution, a revolution that begins with us.

This special edition of *The Hole in Our Gospel* includes a new epilogue from author Richard Stearns, a church resource guide, color charts and graphs on the needs of the world, and a concordance on poverty and justice.

“*Unfinished* might just challenge everything you thought you understood about your Christian faith,” says Bill Hybels, senior pastor of the Willow Creek Community Church. “If every Christian read this book and took it seriously, the world would never be the same again.”

Just before he left, Jesus sent his followers into the world with a revolutionary mission: to change the world by proclaiming God's truth and demonstrating his incredible love. But the single task he gave us to accomplish remains *unfinished*.

“Just when I dare think my work is done, Rich reminds me that we are just getting started,” says Max Lucado, pastor and best-selling author.

Why are we here, what is our purpose, and where do we fit in the bigger story that God is writing? How should our faith affect our careers, our money, our families, and our lives? And why does it matter? We will find our deepest purpose only when we discover the unique role God created for us to play in his unfolding story.
