The 12 Voices of God: God Speaks to You; Recognize His Voice, While Discovering Your Own (God in Real Time) Dennis R. Madden

In this book, we will examine the twelve voices of God. I break down the twelve distinct ways in which God has historically chosen to communicate to us, his people, and mankind at large. God is speaking to us all day long, constantly. He is not just talking to the “righteous” or the “faithful few.” Rather he is communicating to all mankind daily and all day long. So if God is speaking the bigger question is, are we listening? This book attempts to answer how we hear and how we might recognize his voice and begin to make sense of what he is communicating to us personally on a daily basis. It is about finding the answers that you so desperately need to make your life happy and successful, and at the same time, rich and meaningful. It then becomes a natural part of the discovery process that you will find your voice with God, and your ability to pray and develop a deep and abiding love relationship.
