## Young Nylon Beauties: Hot & Naked

No Rules - There are no fixed rules for good nude photos, either they are hot or they're not. The models featured in Young Nylon Beauties are very hot and they wear almost nothing but sexy legwear. Photographer Mark Novak is notorious for calling a spade a spade, without any false modesty. He shoots gorgeous, leggy models in the usual way, from the front, from behind, from above, below and in between – no detail is left out, nothing escapes his camera. This very amateurism intensifies the natural charm of his photo-graphs. For whom it looks to be too much should watch a Bob Ross painting video from the eighties instead (not bad either!). It takes only one look at these hot girls to make their nylon stockings a secondary issue. A must-have for every fan of naughty photo fantasies with young and sexy girls!
